

School Cleaning Schedule 2017

The school cleaning schedule for this summer is listed below. If you are not able to make your scheduled time, please find your own substitute or change time with another person. The committee also asks that no small children be brought along during cleaning. The reason for this is the safety of the children as we are working with large machines and have many buckets of cleaning solutions setting around. Each family with school age children is required to put in 6 hours of cleaning time, only those children high school age and older are considered in the 6 hour time. The committee would like to thank all those who take time to come and do their part during school cleaning. Your help is very much appreciated.
