### **North Parking Lot Closed**

Due to construction the parking lot on the north side of school will be closed for a few weeks. Please use the church parking lot for all school parking. The NE door should be open for your access. Thank you!

### **BUS DRIVERS NEEDED!**

The Transportation Committee is actively seeking Bus Drivers to help with immediate and future needs of the school, potentially driving daily routes, substituting for regular drivers as needed or even driving students to and from athletic events and field trips. The process to obtain your license is not as difficult as many think it is. We can help prepare you for your written tests at the local driver's license station, practice driving with you and can train you for your physical testing at NCC, where David Van Egdome would most likely serve as the DOT Examiner testing you. The school will pay for your testing fee, your Dept. of Ed annual physical costs and all of the driver's annual training classes. If you have ANY questions do not hesitate to reach out to David Van Egdome at (712) 470-0224.

### **Note Date Change**

The Ladies' Guild meeting scheduled for May 10 has been rescheduled for Monday, May 17<sup>th</sup>, due to a conflict. Please mark your calendars!

### **Scrip**

Scrip will be available Monday, May 3 from **8:30-9:30** and Thursday, May 6, from **1:00-2:00 at school**. Because of the construction at school, for your convenience, Scrip will also be available at my house (1505 1st St) on Wed., May 5 during school hours. If you have any questions or these times don't work, you can contact me at 712-470-7139. Thanks!

### **From the library**

ALL books are due May 5.

### **End of school year picnic**

See the attachment for details on this new event! Remember to RSVP for this by calling the school office.

**Attention Parents - photos for the Yearbook:** We are always looking for photos to include in the yearbook. If you have a photo you would like us to consider using in the yearbook we now have a super easy way for you to share that photo with us. If you click on the link below, you can share the photo right to the site where we create the yearbook. You will be asked a few questions about who is in the picture and what grade they are in to help us better organize the pictures. If it is a group photo, just list one name from the class. If you have any questions, please call or email Lori Kooiker or Rachel Mooy. Here is the link: <https://images.schoolannualonline.com/415793998>

## **From the Labels Committee**

### **\* Box Tops**

As you may have noticed most of the Box Top Labels are now SCAN ONLY. They have changed the way we send in our box tops! You now must download the BOX TOPS FOR EDUCATION App. You can find this in the App Store on your smart phone and scan your receipt. Online/pick up orders can also be submitted by simply e-mailing your receipt in.

It is a simple way to donate! Please continue to submit your cut out box tops that you have around the house and continue to cut them if they are not the scan only ones.

### **\* AmazonSmile**

Support Hull PRCS by shopping AmazonSmile.com (Society for Protestant Reformed Education of Hull) and Amazon will donate a percentage of each purchase to our school.

### **\* Cartridges**

Another way to support Hull PRCS and recycle your cartridges is by turning in your ink or toner cartridges to school – we collect them and turn them in for profit for our school.

## **Athletic Physicals: attention 5<sup>th</sup> and 6<sup>th</sup> graders!**

Students in grades 5-6 who plan to participate in the Trailblazer (formerly Dordt) Track Meet must have a current athletic physical on file at school. A physical remains current for one year or through the end of the school year. This form is available on the home page of the school website (scroll down from where the weekly memo is posted).

## **Reminders:**

### **End of school year change**

The board has made the decision to change the last day of school this year from Thursday, May 27 to Friday, May 21. This decision was made due to us having extra days built in for COVID-19 unknowns, the teachers' convention being cancelled, and having fewer snow days than anticipated. The 8<sup>th</sup> grade/Kindergarten graduation ceremony has also been moved from Thursday, May 27 to Friday, May 21.

\*\*School will dismiss at noon that day for K-7<sup>th</sup> grade.

### **Tuition envelopes**

The tuition drop box by the former kitchen is no longer accessible. All tuition envelopes should be brought to the office until further notice. There is a box designated for that purpose. Thanks!
