Library

We will be changing the day of the week the library will be open to students to accommodate the Kindergartners schedule. Library will be on **Mondays** this year. I know it might be hard to remember to take those books back to school on Monday, but there is a return box by the Library door that the students can put their books in during the week. Thanks for your helping your children to return their books in a timely manner.

Scrip

Even if you're receiving ESA funds, scrip can still be a great benefit to school! Earnings can be applied to the general fund to help defray costs or be applied to another family's tuition. If you would like to make a change to where your scrip earnings are allocated please see Vi or Tonia in the office.
