THANK YOU!!

A huge thank you to the Teacher Appreciation Committee and to all the volunteers that helped make last week so special! You "treated" us so generously in so many ways. Junior High STEM

Our school is exhibiting at this year's STEM Day at the Capitol this Wednesday, representing students and educators from the Northwest Iowa STEM region. Hull PRCS will be represented by five of our sixth and seventh graders along with Mrs. Baker. STEM Day at the Capitol celebrates and showcases to the Iowa legislators the Iowa Governor's STEM Advisory Council and the programs it offers. Our school is presenting information on the Drone Designers program which combines art and music with computer programming.
