Committee Updates

As we approach the end of another school year, the Ways and Means Committee would like to thank everyone for their work in the past year on various Guild Committees. The committee list for next year ('26/'27) is up and has some open slots just waiting to be filled. The most urgent needs are the Hot Lunch/Cookies Committee and the Ways and Means Committee as both of these committees have business that gets done before the start of the school year. If you would like more information about what work a certain committee involves, check out the Ladies Guild information under the "Support" tab on the HPRCS website. Thank you for considering helping our school in this way. You can sign up using the link below or contact one of the Ways and Means Committee members.
