### **Scrip**

Did you know that Scrip rebates earned are credited to tuition as 'first dollar'? Meaning if you have earned Scrip rebates, these will be credited to tuition accounts in the fall, and we will then request less ESA funds to be applied to your tuition for the second semester. This allows constituents to be able to utilize the Scrip program to its fullest potential!

Scrip cards make great gifts, many retailers offer limited time \$10 gift cards! We have a large variety of gift cards on hand which are always available during office hours.

### **NICSTO Applicants and Donors**

There is still time for families to apply for NICSTO funds. Remember, these funds can be used before ESA so that you can "bank" ESA for future use. See the attached NICSTO application form.

Also, donors are encouraged to submit their donations before November 30. These donations qualify for a 75% Iowa tax credit. Our donation goal is \$88,277. Donations can be mailed to NICSTO or dropped off at the school office. See the attached NICSTO donation form.
