Pictures

A picture packet will be coming home with each student today, so please look for it. If you did not order pictures, the packet will include a picture of the student and an opportunity to order pictures if you wish. If you did order pictures, please make sure the packet contents are correct. If you are dissatisfied with the pictures, you can request a retake on November 13. However, you must return the fully intact picture packet at that time. Contact Mr. Uittenbogaard if you have any questions.

Harvest Sale

More details to come in the following weeks. See the attachment for more information regarding work and donation assignments for the harvest sale.

Stop N Shop

There are still spaces available for the Stop-N-Shop! If you have been considering having a booth or know of someone who is, we encourage you to join us on November 11. The registration form is on the school website or you can contact a committee member. We would love to have your business, see your creative crafts, or even encourage your kids to come up with a booth!

**The committee is also asking each family to donate 2 baked good items for the Guild bake sale table for the Stop-N-Shop on November 11. If you love to bake and would like to donate more, it is more than welcome! The baked items always sell quickly and our customers look forward to it! We will have a suggested price list and more details

in next week's memo. We greatly appreciate your help and support in making this a fun and successful fundraiser for our school!
